The screenshot shows a web browser window with the URL www.invoicelabs.com at the top. The page has a navigation bar with links: HOME, HOW IT WORKS ?, KAKO RADI ?, MŮKÖDÉSI ELV, JAK TO DZIAŁA ?, FAQS, TERMS, REGISTER (which is highlighted in red), LOGIN, and SUPPORT. Below the navigation bar, there is a "SIGN UP" button. The main content area displays a success message: "YOUR ACCOUNT HAS BEEN CREATED!" followed by "Congratulations RobertoCl". It also states, "You have completed the first step of the signup process." A note below says, "There is ONE MORE STEP in the signup process - you need to click on a confirmation link that should arrive in your inbox shortly." If the user did not receive the email, it suggests three possible reasons: 1. The confirmation email may be in their bulk/junk or spam folder. 2. Their email provider may be blocking the message as SPAM. 3. They may have accidentally spelled their email address wrong. It also provides a link to submit a support ticket if needed. At the bottom, it encourages users to "After you have clicked the confirmation link and logged in, visit all areas of your new account to familiarize yourself with our services."
